

Call for participation PQ presents PechaKucha Nights

The Prague Quadrennial of Performance Design and Space, the world's largest scenography / performance design event held in Prague from June 16-26, 2011, gives individual scenographers and performance designers the possibility to share their work within PQ PechaKucha Nights.

What are PechaKucha Nights?

PechaKucha Nights are informal and fun gatherings where creative people get together and share their ideas, works, thoughts - just about anything really, in the PechaKucha 20x20 format. PechaKucha 20x20 is a simple presentation format where you show 20 images, each for 20 seconds. The images forward automatically and you talk along to the images.

How to apply?

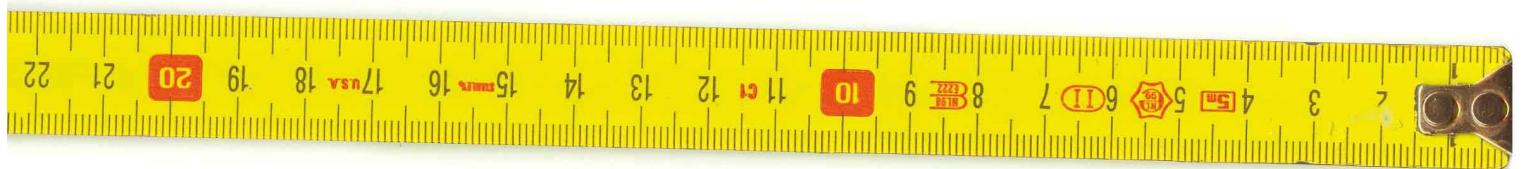

Fill in the on-line application form by 28 February, providing us with the 20 images of the scenography / performance design work you wish to present along with a text (up to 500 characters) about yourself. We will notify you within a month after the deadline.

When and where:

The PQ Pecha Kucha Nights will take place in the National Gallery – Veletržní palace on the 16th, 18th and 20th June 2011.
